\_\_\_\_ Owner acknowledges that registration does not constitute a guarantee by HEET that the animals will be rescued. Emergencies involve many circumstances beyond HEET's control.

\_\_\_\_ It is the owner's responsibility to provide food or reimburse HEET for food for their evacuated animals while under the care of HEET.

\_\_\_\_ It is the owner's responsibility to pay any emergency veterinarian costs incurred while the animal is in HEET's care.

\_\_\_\_ The owner is responsible for picking up their evacuated animals and must contact HEET if another individual is picking up their animal(s). The owner can arrange for their animals to be returned by HEET for a nominal fee/donation.

\_\_\_\_ In consideration of HEET's evacuation of the animal, the owner specifically waives any rights to recovery the owner might have for injuries to the animal which may occur while the animal is being evacuated or while the animal is in the care and control of HEET.
