

Horse Emergency Evacuation Team

Volunteer Training Requirements			
Frequency	Sheltering Assistant	Rescue Team Member	Rescue Team Driver Staging Manager
2 Years	CPR/First Aid	CPR/First Aid	CPR/First Aid
2 Years	Equine First Aid	Equine First Aid	Equine First Aid
2 Years	Procedures&Protocols	Procedures&Protocols	Procedures&Protocols
2 Years		Loading Rodeo	Loading Rodeo
3 Years		Fire Safety	Fire Safety
2 Years		Live Drill	Live Drill
2 Years		Trailer Rodeo	Radio Communications
3 Years			Incident Command System
2 Years			Trailer Rodeo

In order to qualify for the above positions, you must complete the training required for that position and maintain that training according to the frequency in the table (typically every two years). All volunteers need training in order to maximize safety of all involved. Some training events not listed above may be scheduled from time to time--while these are not required, it is highly suggested that all members attend.
